NetScroll 220 Laser

Sleek desktop laser mouse

Beautifully done in black polished finish, **NetScroll 220 Laser** is designed to enhance your daily working efficiency as well as providing a great match to your PC environment.

Featuring with advanced precision laser technology, ***NetScroll 220 Laser*** delivers a much better tracking precision and quicker cursor movement response than regular optical mouse and furthermore in order to fulfill the requirement of high screen resolution for 1024x768 pixels and 600x 800 pixels, **NetScroll 220 Laser** even adds an unique dpi adjustment between 1600 and 800 dpi; giving you no worries for an upgraded hardware when needed.

Thus, for an ideal mouse to surpass the regular optical mouse performance, ***NetScroll 220 Laser*** is the one you are not missing out on. Contact your sales representatives for more information
